

## **New Requirement For Donation Receipts**

Canada Revenue Agency requires that a number of specified items, including CRA's name and website address, be included on donation receipts that are issued by a registered charity to its donors. As a result of CRA's recent website move to the [canada.ca](http://canada.ca) website, official donation receipts must be updated with CRA's new website address: [canada.ca/charities-giving](http://canada.ca/charities-giving). This change must be made to your donation receipts no later than March 31, 2019.

For details on other information that must appear on each donation receipt refer to CRA's website page: [Sample Official Donation Receipts](#).
