

ELFEC Pym Legacy Fund Grant: Creating a spark to attend CLAY 2023

What Pym Legacy Grant Opportunity?

ELFEC is offering a grant to congregations and other ELFEC stakeholders to support youths that are attending CLAY 2023. We are offering a grant of \$200 per attendee to help assist in the financial commitment needed to attend and/or register for CLAY 2023: Ashes & Embers in August 2023 in Waterloo, Ontario (<https://claygathering.ca/>).

All ELCIC congregations are eligible to apply. Successful applicants will share their goals and/or potential for development of leadership skills from attending CLAY.

What is the Pym Legacy Fund?

The fund was created in 2020 upon the retirement of ELFEC's founding Executive Director, Jeff Pym. Jeff had a passion for continuous learning, he was inspirational in sharing his learnings with all. The purpose of the Pym Legacy Fund is to promote and support initiatives that provide lay leadership development within any definition of the Church (ELCIC). The focus and priority of the Legacy Fund is building leaders to guide the Church into the future.
