

Watershed Song

Choir sings bolded lines.

© 2014 Holly Arntzen/Kevin Wright

H = Holly C = Choir B = Both

CHORUS

**In the watershed rain comes down into the river, into the sea
And we hope from our elders a healthy world for us to keep**

Oh – oh – oh – oh oh oh oh oh oh

Oh – oh – oh – oh oh oh oh oh oh

VERSE 1

H: Habitat	C: Habitat
H: Conservation	C: Conservation
H: Climate change	C: Climate change
H: Revelation	C: Revelation
H: Conscious	C: Conscious
H: Destination	C: Destination

B: That's the only way

REPEAT CHORUS

VERSE 2

(Kevin) This watershed is changing, some things will never be the same
Winning too slowly is the same as losing when it comes to climate change

H: Forest	C: Forest
H: Devastation	C: Devastation
H: Are we seeing	C: Are we seeing
H: Adaptation	C: Adaptation
H: One Earth	C: One Earth
H: One Earth	C: One nation

B: That's the only way

REPEAT CHORUS

BRIDGE

(Holly) Glaciers in the mountains feed the rivers down below
The Spirit and Snake Indian, the Vermilion and the Bow

B: Wetlands call their children, waterfowl coming home

**The water's warming, this is a warning
Sons and daughters, listen to Mother Earth**

GUITAR SOLO

DRUM BREAK – 8 bars

REPEAT CHORUS

**B: The water's warming, this is a warning
Sons and daughters, listen to Mother Earth**
